

STEPS TO A SUCCESSFUL TALENT SEARCH

CLIENT FEEDBACK IS KEY

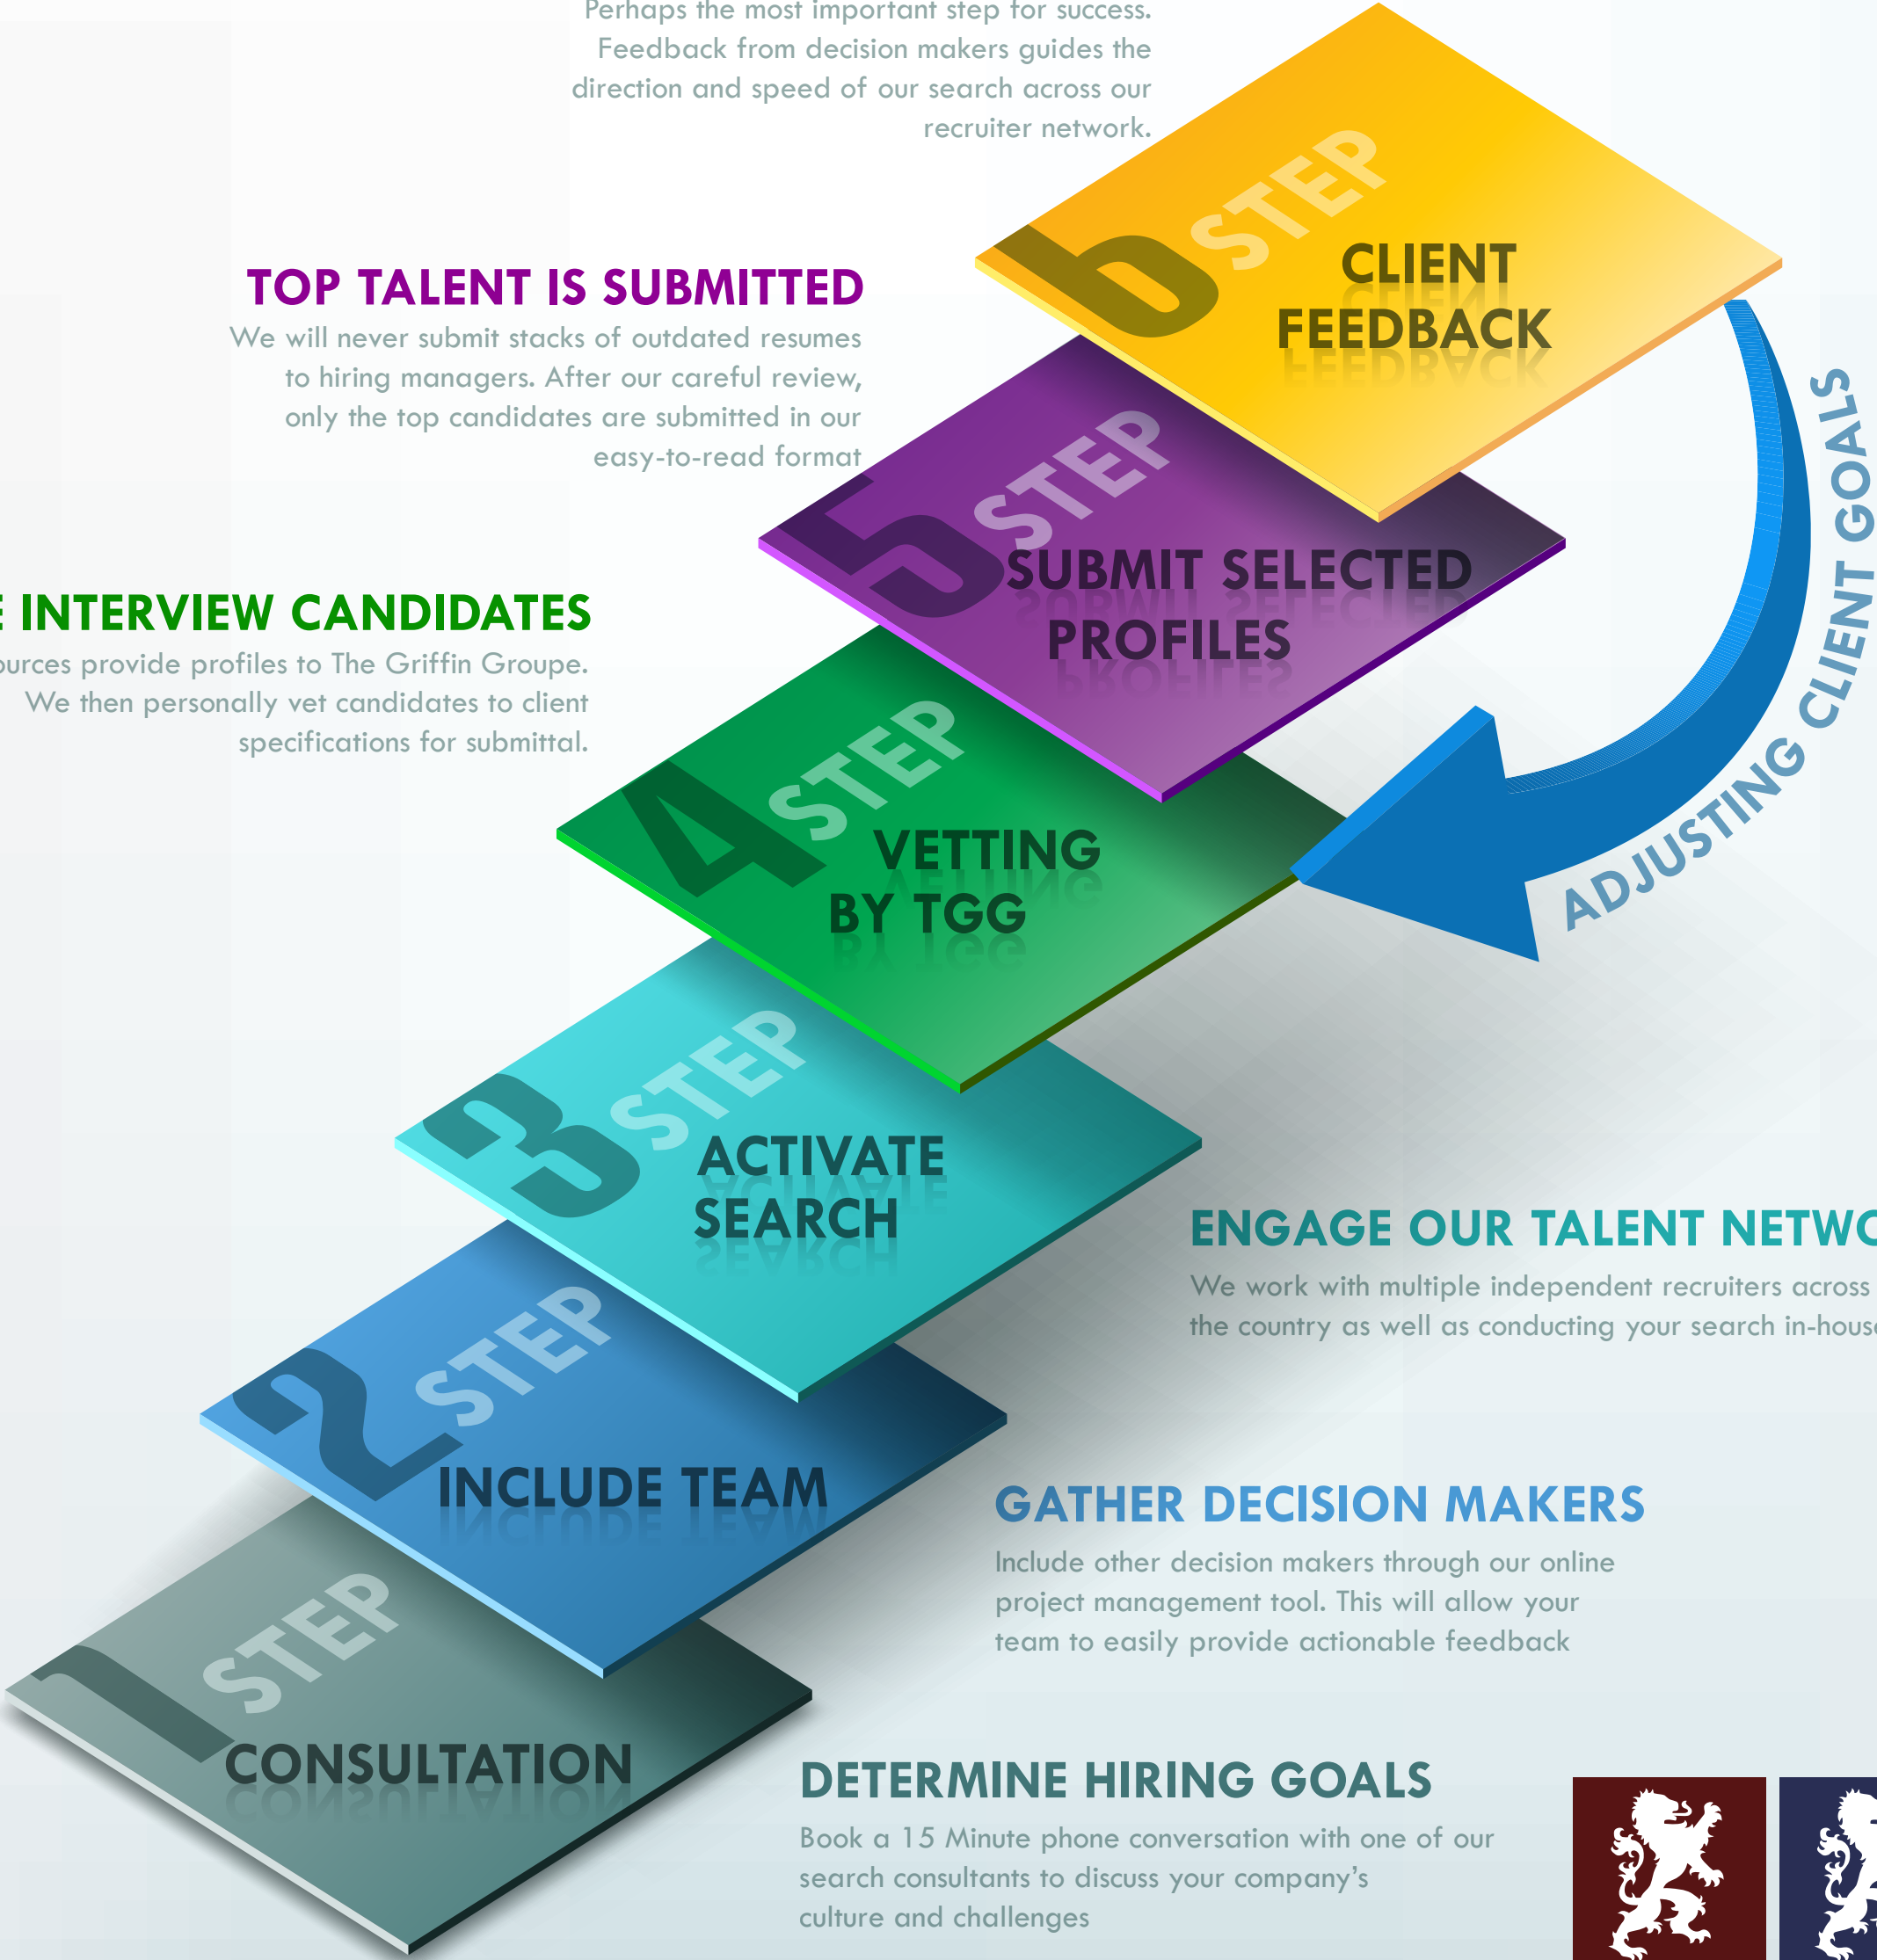

Perhaps the most important step for success.
Feedback from decision makers guides the direction and speed of our search across our recruiter network.

TOP TALENT IS SUBMITTED

We will never submit stacks of outdated resumes to hiring managers. After our careful review, only the top candidates are submitted in our easy-to-read format

WE INTERVIEW CANDIDATES

All sources provide profiles to The Griffin Groupe.
We then personally vet candidates to client specifications for submittal.
